

REMARKS

Claims 1, 5, 7 and 10-26 are pending in this application. By this Response, claims 1, 5, 7, 10-14 and 20-26 have been cancelled, without prejudice. Attached hereto is a complete listing of all the pending claims, presented with markings pointing out their current amendments, and with their current status listed parenthetically.

As claims 1, 5, 7, 10-14 and 20 have been cancelled without prejudice, the rejections of these claims are now moot.

In paragraph 8 of the Office Action, the Examiner states that claims 15-19 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form to include all of the limitations of the base claim and any intervening claims. In response, Applicant has amended each of claims 15-19 to include all of the elements of the base claim (claim 14) and any intervening claims. Applicant submits that claims 15-19 are now allowable.

Regarding claims 1, 5, 7, 10-14, 20 and 21-26, Applicant expressly reserves his right under 35 U.S.C. § 121 to file one or more divisional or continuation applications directed to the non-elected or cancelled subject matter during the pendency of this application, or an application claiming the benefit of this application under 35 U.S.C. § 120.

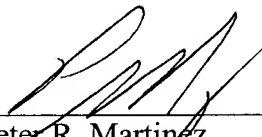

Conclusion

Applicant believes that this Response has addressed all items in the Office Action and now places the application in condition for allowance. Accordingly, issuance of claims 15-19 at an early date is solicited. No fee is believed due with this response. However, the Commissioner is authorized to charge any fee required to our Deposit Account No. 50-3143, in the name of Pulse-Link, Inc. Should any issues remain unresolved, the Examiner is invited to telephone the undersigned.

Respectfully submitted,

February 3, 2005
